T-7700RP

IP network PA and intercom software

The management software at the heart of an IP PA and intercom system: zones, schedules, music, paging and help-point calls across one network.

IP PA | Intercom | Scheduling | Web access

B/S
Web-based access

24/7
Scheduled programmes

Full duplex
Intercom

Any
Network size

One network, every building. Managed from a browser.

The T-7700RP runs the whole IP PA and intercom system. It manages every paging station, intercom terminal, IP speaker and interface on the network, shows their status live, schedules programmes, streams music on demand and handles full-duplex intercom calls, all through a web interface.

Central management
Status, IP address, tasks and volume of every terminal, live.

Scheduling
Timed programmes for any terminal, any time.

Music on demand
Audio library, playlists and on-demand streaming.

Intercom and help points
One-touch call, intercom, help and alarm calls.

Call handling
Call waiting, forwarding and no-answer rules.

Linkage
Dry-contact triggers start alarms, music or outputs.

APPLICATIONS

Campuses | Transport hubs | Industrial parks | Hospitals | Office parks | Malls

Skyco Technologies (Pty) Ltd · 151 Lechwe Street, Corporate Park South, Randjespark, Midrand

Specifications. Every interface and rating.

PLATFORM

Type	IP PA and intercom management software
Architecture	B/S, managed through a web browser
Manages	Paging stations, intercoms, IP speakers, interfaces
Users	User management and rights

FUNCTIONS

Broadcast	Zone, group and all-call paging
Scheduling	Multiple timed programmes per terminal
Media	Audio library and on-demand playback
Intercom	Full duplex, auto or manual answer
Call rules	Call waiting, forwarding, no-answer reminder
Linkage	Dry-contact triggers and outputs
Recording	Call and broadcast record storage

WORKS WITH

Paging station	T-7702A
Help points	T-7703, T-7731

MANUFACTURER

Brand	ITC

Specifications are typical values and may change without notice. Skyco confirms the final configuration with your quote.

Talk to our audio team.

We design the zones, size speakers and amplifiers to 100 V line practice, supply the system and support it.

1 Design the zones · 2 Quote · 3 Supply · 4 Install · 5 Support
